

VACANCY: HEAD COACH AT RUGBY CLUB ZWOLLE

Are you a head coach that wants to take control of the further development of this fast-growing club? Do you have the right skillset to guide this committed team to the next level of Dutch Rugby? The 1st team of Rugby Club Zwolle is performing in the top of the 2nd division for the last three years and is eager to promote to the 1st division. Together we can make it happen!

Background

Rugby Club Zwolle is growing the last few years. In a period of five years the membership numbers have doubled and so has the quality on the field. There are 2 men's team with a 3rd on the way, a woman's team that has been undefeated since October 2018 and promotes to the 1st division next season. Also, we have youth members in every category. The next few years young talent is coming through to the senior teams both (m/v). The men's 1st and 2nd team are both aiming for promotion in their leagues next season.

What are we looking for?

- You recognize our values as if they are your own (TheZwolleWay)
- You are focused on the target, but keep the club vision in mind
- You can develop players on and of the field
- You can motivate and guide players, (other) trainers and coaches
- You are becoming a level 3 coach or have relevant coaching history and experience
- You can manage expectations and have a great people skill
- You are willing to build a professional relationship with the club

What will we ask you to do?

- Be responsible for training of the 1st team
- Be the head coach of all matches of the 1st team
- Be willing to help develop other trainers within the club and help them build their training sessions
- Be responsible for the pre-season training (Men, woman and colts)
- Advise the technical committee on youth development and senior player development

If you are this person then we can offer you a great group of players to work with, a warm culture and a suitable compensation.
